

## Behavior Plan

All teachers follow the LES Behavior Plan that includes the following colors:

**Blue** – Great day/Exceeding expectations all day

**Orange**- Good Day/Exceeding expectations at a certain point during the day

**Green** – Meeting Expectations

**Yellow** – Warning/Think about it

**Red** – Consequence-Teacher's choice (phone call, time out, loss of privilege, etc)

In order to communicate as clearly as possible, I use a *code system* in my class. If there is a misbehavior, the student will receive a code. Two codes will equal a clip down, unless the behavior is more serious. In that case, the student will receive an *auto*-meaning they will automatically clip down. The codes below will be written into daily agendas so you know what caused the clip down.

1. Disruptive Behavior in Class/Off task in class
2. Unkind to a classmate
3. Disrespecting an adult
4. Hallway behavior
5. Not being prepared/Not following directions

Students maintaining Green and above will receive a special treat at the end of each month.

**\*\*Please keep in mind that all students have the ability to clip back up throughout the day\*\***
